

THE COMFORT COOLER

Triangle's Comfort Cooler belt drive whole house fans are an efficient, economical way to cool your home. Comfort Cooler whole house fans feature all welded construction for quiet operation. Our Comfort Cooler Fans will cool your home to the outside temperature 5 to 10 times faster than central air conditioning at less than 1/10th the cost!

Features

- Two-speed wall switch and switch plate included
- Automatic belt tensioner
- Deep pitch four-wing propeller for maximum air movement
- Bronze polyester powder coated finish
- Rubber mounted ball bearings sealed for life
- 1" x 4" wood frame with rubber vibration and noise dampener
- Heavy gauge steel welded construction for long life and quieter operation
- UL listed
- Optional 12 hour timer and thermostat available (each sold separately)
